CENTRAL VIRGINIA RADIO CONTROL, Inc.
Academy of Model Aeronautics Chartered Club # 4542
Royalton Road, Amelia Courthouse, Virginia 23002

In addition to the regulations published in the AMA Aircraft Regulations Handbook, the following CVRC Club rules were established and shall be followed by all members and visitors.

1. Alcoholic beverages and illegal drugs are not allowed on the club-flying site. Persons that are believed to be under the influence of such substances shall not be allowed to exercise their flying privileges and will be asked to leave.

2. All engines, other than turbine engines, must be equipped with and fly with a functional muffler.

3. Student pilots may not fly without the assistance of a "club designated" instructor or competent club member.

4. Caution must be exercised at all time when starting and moving aircraft into or out of the pit area. At no time shall an aircraft be taxied anywhere behind the flight line or in the pit area.

5. Pilots are to stand at one of the designated Pilot Stations behind the barrier (s) during aircraft flights. No more than 5 aircraft may be flown at any time.

6. Takeoff must be on the designated runway and proceed away from the pit, spectator and/or parking areas.

    a. Aircraft flights are prohibited over the pit areas, no flying zones and designated spectator or parking areas.

    b. All "hand launching" of aircraft is limited to the pilot stations or runway and not from pit or spectator areas.

7. Before going onto or crossing the runway, notice will be given in a loud voice "on the field" to notify pilots. When returning from the runway, notice will be given in a loud voice "runway clear" will be given when off runway.

8. When more than one aircraft is in the air, low passes down the runway are prohibited.

9. All 3D maneuvers must be performed over the field on the other side of the runway from the flight stands.

ALWAYS BE COURTEOUS TO EACH OF YOUR FELLOW MEMBERS, GUESTS, AND VISITORS.
